

**Amendments to the Specifications:**

Please replace the paragraph starting at page 5, line 1 of the specification with the following paragraph:

In addition~~-additi-n~~, during the preparation process it is possible, as an option, to add to the mixture a synergic agent, a co-herbicide, a colorant, a corrosion inhibitor, a thickening agent, a dispersant, a sequestering agent of calcium and magnesium ions, and an anti-foaming agent.
